FIVE BIG DAYS IN NEXT WEEK! DIAMOND JUBILEE JULY 1-2-3 : CARNIVAL STARTS WEDNESDAY

Programme Is Elaborate for Big Fete

An outstanding programme of events is being arranged by the Diamond Jubilee Committee for the big celebration on July 1st, 2nd and 3rd, and will surpass, in interest and variety, anything heretofore attempted in Wetaskiwin. An entirely different program is arranged for each day and every item is of excellent merit.

The school children of the City and District take an important part in the proceedings, marching in at least three of the processions and taking part in all the Patriotic anthems and choruses. The bands, of which there is made in another column, will furnish the musical numbers, and in themselves are an outstanding attraction. Mr. John Blue, of Edmonton, one of the ablest speakers in Alberta, will deliver appropriate addresses during the celebrations.

On July 1st, in the forenoon, the Jubilee Memorial Park will be officially dedicated, attended by a most interesting ceremony.

In the afternoon the Confederation address will be delivered, the flag will be saluted, the children in mass formation will sing, and the bands will play patriotic selections.

This will be followed by "The Living Flag," composed of 200 girls, and will be most impressive. After that the outstanding feature of the day will be presented, "The Pageant of Confederation." The early explorers, Indians, Fathers of Confederation, and other events in Canadian history will be depicted and those interesting days lived over again.

On July 2nd, in the morning, the Memorial Cairn, erected on the hills north of the city, will be unveiled and dedicated. This commemorates the signing of the Treaty of Peace between the Blackfoot and Cree Indians, and will be most appropriate and interesting. Indians from Hobema, old-timers, children and musical bands will all take part. These hills have ever since been known as the Hills of Peace ("Wetaskiwin Spitiwin"), and the origin of the name of the City and District of Wetaskiwin.

For the afternoon a splendid program of sports has been prepared. Horse races, bicycle races, tug-of-war, baseball, basketball, foot races, Indian races, etc. Everything to make an exciting and interesting afternoon. On Friday and Saturday at about 5:30 p.m. the mammoth Carnival Parade will form at the grounds and march through the principal streets of the city to the Central Building. Time and expense will not be spared to make this the headliner of the whole celebration. Beautiful floats, decorated cars, historical characters, and humorous sketches will be featured. John Bul, Jack Canuck, Miss Canada, Miss Broomstick and others will head the procession.

On Sunday afternoon at 2:30 there will be a mass meeting at the Fair Grounds. Nearly all the clergymen in the district will be in attendance. The address will be given by Rev. Mr. McCullough, of Edmonton. The amalgamated choirs and bands will furnish a nice program of music, and at the close of the service, from 4 to 6, the 49th Battalion Band will give a hand concert and bring to a close what promises to be a celebration worthy in every respect of the occasion we wish to commemorate.

CHILDREN'S SERVICE AT MILLET

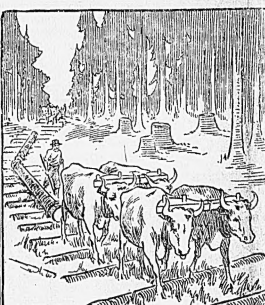

Don't forget the Children's Service conducted by Miss McKee and Miss Thomas, Sunday School Caravan, at Millet on Sunday, June 25th, at 11 a.m. Everybody welcome.

Was Gorilla Man Here?

Earle Nelson, alias Virgil Nelson, alleged to be the dark stranger, who is being held for trial for the murder of Lola Cowan, 14 year old school girl and Mrs. Emily Patterson, 27 year old choir singer in Winnipeg, is a figure of local interest.

Dr. Tatham Gives Summary of Great Session of Kiwanis

A very enjoyable Kiwanis luncheon Tuesday evening, was featured by the visit of Dr. C. C. Tatham, of Edmonton, Lieutenant-Governor of Western Canada Kiwanis District. There was a good attendance of the members of the local Club and the popular Doctor was received with great enthusiasm. He was accompanied by a number of well known Edmonton Kiwanians, President Andrew Whyte, John Blue, R. F. McGarvey and Roy Henry.

A pleasing feature of the meeting was the presentation of an American flag to the local club. This flag has been given by the Kiwanis Club of Hinton, Virginia, U.S.A., and is in pursuance of a policy whereby the American Clubs are presented the Canadian Clubs with American flags, and the Canadian Clubs are presenting British flags to the American Clubs. This is in keeping with the international character of Kiwanis.

The presentation was very fittingly made by Lieutenant-Governor Tatham and a few appropriate remarks were made by Kiwanian George James. Dr. Tatham, who has just recently returned from the International Convention at Memphis, Tennessee, gave a comprehensive summary of the proceedings of the convention. It appears that Canada was quite well represented at the Convention and about 1000 delegates in all were in attendance. The total attendance was probably 5000 or 6000. The Doctor gave a summary of some of the most important addresses of the Convention, particularly those of George Ross, of Toronto, Roe Fulkerston, of Kiwanis Magazine, and Rev. William J. Johnston of Montreal. It seems to be agreed that the Memphis Convention was the most successful in the history of the organization.

In conclusion, the Doctor organized the local Club to get ready for the big International Convention at Seattle next June and also for the District Convention to be held at Regina on August 25th and 26th.

Two McGarveys entertained the Club with two solos given in his usual fine style.

FREIGHT OFFICE CLOSING

JULY 1ST AND 2ND

Owing to July 1st and 2nd being proclaimed Dominion holidays, the Commercial Freight Office will be closed on these dates. Freight shippers and others who may be affected, are asked to make a note of these holidays.

Among the car sales recently were the sale of Oils to Mr. John Schmolund, Mr. Austin Rix, Mr. Proctor Paulson and Mr. Ed. Ball.

Where Confederation Was Born

Room in Legislative Building at Charlottetown, P.E.I., where the first Conference was held.

Left, Tablet commemorative of the event.

INSCRIPTION

"Unity be strength. In the hearts and minds of the delegates who assembled in this room on September 1st, 1864, was born the Dominion of Canada."

"Providence being their guide they builded better than they knew."

"This tablet is erected on the occasion of the fiftieth anniversary of the event."

SOUVENIR PROGRAMS FOR NEXT WEEK'S FESTIVITIES

A beautiful Souvenir Program is being issued by the Diamond Jubilee Committee. It contains a list of all the events for the three days. Messages to the Canadian people from Lord Willingdon and Premier King, a synopsis of the Jubilee Pageant, Hymns and Patriotic Songs, and an intensely interesting Legend reciting the events leading up to the Treaty of Peace between the Blackfoot and Cree Indians.

LOCAL ELKS INVADE LEDUC About 50 members of Wetaskiwin Lodge No. 91, Elks, journeyed to Leduc Wednesday, June 15th to attend the institution of a new lodge there. Dominion Grand Organizer P. A. Miquelon was in charge of the ceremonies. Assisted by quite a number of Camrose members, including the Camrose Elks' band, a parade of "Elks" was staged before the meeting, attracting a great deal of attention. The band and the Patrol of the Wetaskiwin lodge came in for a lot of well earned praise for the class of music furnished and for the smart appearance presented in the neat purple and white uniforms.

With Exalted Ruler Howatt in the chair, the Wetaskiwin lodge officers conferred the degrees on over sixty charter applicants.

District Deputy Heller, of Edmonton, was in attendance and installed the new officers.

After the coronations, refreshments were served at the hall and a very pleasant hour spent in songs, speeches, recitations, etc.

The baby lodge will be known as Leduc Lodge No. 156 B.P.O.E. and their adopted slogan is "Watch us grow."

Obituary

JOHN THOMAS BOWES

An old citizen of the Chesterford district, in the person of Mr. John Bowes, passed away in the City Hospital at the age of 64 years. Mr. Bowes came to the Chesterford district 14 years ago from the United States. The funeral took place on Saturday last, June 18. Interment was made in the Dakota cemetery at Chesterford, the services being conducted by Rev. Thomas Davies, M.A. Deceased is survived by a widow, a daughter and three sons.

In the report of the obituary of Miss Mary Larson last week, we omitted to add that she leaves to mourn her loss a mother, Mrs. Larson, three sons, Bert, Helma and Sophie, and four brothers, Algot, Gus, Victor and Carl.

BORN

HAY—In Wetaskiwin, on the 21st inst., to Mr. and Mrs. H. P. Hay,

MAIR—At Millet, on the 20th inst., to Mr. and Mrs. Leslie Marr, a son.

DIX—At Bear's Hill, on the 20th inst., to Mr. and Mrs. A. Rix, a son.

BEAR—To Mr. and Mrs. Sam Bear, of St. Paul, Minn., on the 17th inst., a son.

With this hot weather and many showers, the crops in this district are in excellent shape. It is reported that they have already surpassed the growth reached by this time last year.

South of town wheat, in spots, has reached a height of 14 inches. Crops should be good this fall.

Last week, Rosehold, Ltd., sold the Hall farm, six miles north of town, to Mr. John H. Lytle.

CLEAN UP AND DECORATE FOR THE JUBILEE FETE

The Diamond Jubilee Committee is making an appeal to all residents in City and Country to decorate their premises for the big celebration. A display of flags and bunting gives a most pleasing effect. Do your share in making this part of the program a complete success.

PUPILS GIVE RECITAL

On Saturday, June 18th, the music pupils of Sister Superior of the Sisters of the Assumption, gave a recital at the convent. A large number of the parents and friends attended, and spent a very pleasant afternoon. Heartly congratulations were extended to Sister Superior, as well as to her pupils.

We are glad to see Mr. J. P. Johnson around after his recent accident. Mr. Johnson had the misfortune to sprain his ankle a couple of weeks ago.

Made-in-Alberta Show Next Week

In addition to taking a most prominent part in the Confederation Jubilee festivities in this city next week, the Women's Institute and I.O.O.F. are holding a "Made-in-Alberta" Exhibition on Wednesday, Thursday, Friday and Saturday, June 29 and 30, and July 1 and 2, in the premises formerly occupied as the United Church club rooms, west of Whyte and Orr's, on Pearce street.

Products of various kinds from different parts of the province will be displayed, and demonstrations

Four Bands Are to Furnish Music for Jubilee Next Week

Lovers of music will be given a real treat during the Diamond Jubilee Celebration. Four bands will be in attendance: the Coal Lake Band, the Wetaskiwin Band, the Salvation Army Citadel Band of Edmonton, and the 49th Battalion Band, also of Edmonton.

The Citadel Band will be here on Saturday and the 49th Battalion Band on Sunday. The military band will assist in the religious services at the mass meeting during Sunday afternoon at the Fair Grounds, and will give a program of music from 4 to 6, after the service. The members will appear in new mounted, regimental uniforms. This is one of the finest military bands in Western Canada and we are most fortunate in having them visit us.

HOSPITAL BOARD MEETING

A regular meeting of the hospital board was held by the council chambers on Wednesday evening, June 8. After the minutes were read and adopted, the agreement between the Wetaskiwin Hospital and the Municipal District was read and filed.

The Mayor reported that for the month of May 52 patients had been accepted, 47 discharged, 11 were in the hospital at the end of the month, and there had been 22 operations, five births and one death.

The auditor's report for the first four months was read and filed.

Accounts for \$763.59 were passed for payment.

It was agreed that an invitation be sent to the Reeves and Councilors of the Municipalities of Hignstone and Montgomery, also the members of the Wetaskiwin Board to attend a general meeting to be held in the Council Chambers, on Saturday, July 16, at 2:30 p.m. for the purpose of discussing and making plans for a new hospital building and setting aside a piece of land for the same.

Mrs. Hanna and Mrs. Hanson were appointed as the visiting committee for the month of June.

Mr. H. R. Hillson, of Charlottetown, Prince Edward Island, is spending a few days in the City, the guest of Mr. and Mrs. W. F. H. Montgomery. Mr. Hillson is touring Canada and the United States and leaves shortly for Vancouver.

Mr. Fraser and Rev. McCrae returned on Friday last from the Presbyterian Conference which they were attending in the East.

Parade Will Be the Best Ever in City

The Parade committee of the Diamond Jubilee Celebration wish to announce that Mr. J. P. Johnson, who was forced to resign owing to a sprained ankle, has again taken over the position as chairman. This is fortunate for the committee, as Mr. Johnson is a man of experience in this type of work.

The committee also wish to announce that a prize of \$25 is being offered by the Fair Grounds to the committee for the best decorated privately owned car, not a float, entering the parade.

The parade that is being planned promises to be the best that Wetaskiwin will ever have seen. The committee claim that the parade alone will be worth coming miles to see.

All participants planning to enter the parade on Wednesday, June 29, must be on the race track of the Fair Grounds not later than 6 o'clock. To facilitate matters, participants are requested to hand their names into the chairman, Mr. Johnson. On Dominion Day the parade will start from the streets about the Alexandra School. All participants are requested to be in their places not later than 5 p.m.

The Wednesday parade will proceed from the Fair Grounds to the Carnival Building. The Dominion Day parade will proceed from the school to the Fair Grounds and back to the Carnival Building.

LOYAL ORDER OF MOOSE GIVE LECTURE

Mr. A. J. Ingram, Deputy Grand Regent and District Supervisor of the Loyal Order of Moose, gave a lecture here Tuesday evening in the U.F.A. Hall to a number of people interested in the order. The life and vision of James J. Davis, U.S. Secretary of Labor, was illustrated by pictures and photos.

"Today the Loyal Order of Moose is the largest worldwide movement in the fraternal field," said Mr. Ingram. "Over 1000 have been educated and equipped to take their place in the world. The Order is worldwide. It is found in South Africa, Great Britain, France, Germany, United States, Canada, Australia, Cuba and the Philippines."

A lodge will be instituted in Wetaskiwin in the near future. Mr. Ingram, the organizer, has left for Stettler for a few days, but will return at a later date.

CATHOLIC WOMEN'S LEAGUE

A well attended meeting of the Catholic Women's League took place at the home of Mrs. J. W. Herie on Thursday evening last. Practically the full time was given to the reading of papers pertaining to "Confederation." This will give the members a better appreciation of the great event being celebrated this year "Canada's Diamond Jubilee."

A few dancing numbers were given by the Misses Emaleone Aboussey, Nora Gibson, Mary Oakes, and Dora Baxter, and were much enjoyed. At the conclusion of the meeting, a very dainty lunch was served.

Rev. Appelt will be absent from the city for the week-end, as he is taking the Luthern services at Camrose on Sunday. There will be no services in the local Luthern (Zion) Church, but Sunday School will be held as usual.

The Diamond Jubilee of the Confederation of Canada

(By Norman R. Cole "Uncle Dick")

Part II.

During all these years of such historical interest in Eastern Canada, a very momentous movement was also taking place on the far away Pacific Coast. Near the close of the 16th Century, when England and Spain were deadly rivals for the mastery of the sea, that brave old Admiral, so well known to us all, Francis Drake, in his equally famous ship the "Golden Hind," rounded Cape Horn, at South America, and boldly sailed North to tackle the Spanish ships. Taking them entirely by surprise, his superior captain after treacherous capture, having headed his own vessel to the right with spits, sailed for home. But before doing so, he landed on the coast, somewhere near the present site of San Francisco, and claimed the territory in the name of his Sovereign, calling it "New Albion." On his return to his native land, he received the Order of Knighthood at the hands of his illustrious and grateful monarch—Queen Elizabeth.

For some two hundred years thereafter the curtain fell over the vast

winding, rushing rivers, between lofty canyons, on and on they went. Down the Fraser River, along the Blackwater, over the great Coast Range, and thus to Bella Coola and salt water.

Within an ace of death time and time again, still Mackenzie struggled on, until at last he actually came to the shores of the mighty Pacific, and painted upon a rock there this memorable inscription—"Alexander Mackenzie, from Canada, by land, this 22nd of July, 1792." It was therefore the first white man to cross the Dominion from sea to sea.

On reaching the coast, Mackenzie was told by the natives of a wonderful ship with sails that had recently been seen by some of the natives. This vessel was undoubtedly the ship of Captain Vancouver, who was exploring along the coast about that time. By a strange coincidence these two great explorers, one by land and the other by sea, only missed meeting each other by a few days. Of the many remarkable incidents with which the history of Canada teems, surely this is the most remarkable of all.

For his great and glorious exploits Alexander Mackenzie was fittingly knighted by King George the Third, the following year, and thus was Great Britain's claim to the vast territories of Central and Western Canada made secure for all time. Such are some of the victories which have crowned the magnificence of human endeavor in the history of this great Dominion.

The North-West Trading and Fur Company lost no time in taking advantage of the new fields explored, and many new trading-posts were established. Meanwhile Fort Vancouver had been established in 1825, and Fort Simpson on the mainland in 1824.

Victoria, founded by James Douglas in 1843, became the headquarters for the territory west of the Rocky Mountains, and the Hudson's Bay Company constituted its entire government.

In 1849, Vancouver Island was declared a Crown Colony; and in 1858 the British Government declared the mainland to be a Crown Colony also, under the name of British Columbia. In 1860 the two Colonies were united, and five years later, in 1871, British Columbia entered Confederation and became a part of the great Dominion of Canada.

Before taking up the actual subject of Confederation, it would be well for us to consider for a few moments, the position of that long tract of territory formerly known as Rupert's Land, now, in part, the province of Manitoba. The story of this region of our Country begins about 1610, with the explorations of Henry Hudson, a distinguished English navigator.

In 1609 he explored the Hudson River, and on his last voyage discovered the great Bay and Strait that now bears his name. Early in 1611 his crew mutinied, and cruelly set him and his son, with seven of his crew, adrift in an open boat, upon the bleak and ice-covered waters of Hudson's Bay; and nothing further was ever seen or heard of the intrepid explorer and his unfortunate companions. In 1612, Sir Thomas Button was sent in search of Hudson, and entered the Nelson River—one of the first white men to set foot within the boundaries of the province of Manitoba as we know it today.

In the year 1670, the entire territories were granted by Royal Charter of King Charles the Second, at the solicitation of Prince Rupert, to "The Governor and Company of Adventurers of England trading into Hudson's Bay." From 1670 until the ceding of Canada to England by the French in 1763, the Hudson's Bay Company was

engaged in desperate endeavour to open up the vast territory committed to its charge. To pilot vessels across the great uncharted wastes of the Hudson's Bay and James' Bay was full of danger from ice-packs and hidden rocks; to cultivate a friendly trade with savage tribes speaking strange tongues was no easy matter; and to fight against floods, locusts, famine, fire, and the attacks of rival traders, required more than the ordinary amount of courage.

Many brave men continued to explore and map the vast regions round about, and among them must be mentioned the La Verendryes, father and sons, the earliest explorers of the plains of Manitoba, the real discoverers of the Prairie Provinces, and the founders of Fort Rouleau, near the site of the busy and prosperous City of Winnipeg, the Capital of the Province, and many other posts.

O, we glory in our Canada, and proud by do we speak.

Of how our brave Ancestors—"mid trials sore—did seek.

To plant the Flag of Freedom on this fair and wide domain,

And make it free—for all to see—on mountain, lake and plain!

In 1821, the Hudson's Bay Company united with its powerful fur-trading rival, the North-West Company, under the name of the Hudson's Bay Company. In the year 1869, Rupert's Land, as Manitoba was then called, was acquired by the Imperial Government from the Hudson's Bay Company, and later transferred to the new Dominion of Canada for the sum of \$1,200,000.

Unfortunately this transfer of ownership was much misunderstood by the half-breeds who had made their homes in these territories, and the rebellion of 1870 was the result. Fortunately this was soon put down, and with very much trouble or bloodshed, and when that time the history of Manitoba has been one of consistent and steady progress, despite occasional set-backs here and there. The boundaries of Manitoba have twice been extended, and now include some 231,258 sq. miles.

Having reviewed, in a very brief and fragmentary manner, the beginnings, settlement and growth of the various Colonies of early Canada, pre-

vions to the coming of Confederation, we are now in a position to understand something of the vastness, the difficulties, and the impenetrable mystery that confronted the "Fathers of Confederation." In their hearts and minds was the vision of a great and united Dominion of Canada, joined by common ties of brotherhood and citizenship, and united in their loyalty to the great British Empire, of which (Continued on Page 4)

Weddings

GROVES-COTTRELL

A beautiful home wedding was solemnized at the residence of Mr. and Mrs. Peter Cottrell, of Larch Tree District, Wetaskiwin, when their second daughter, Constance May, was united in marriage with Mr. Robert Enoch Groves, of Wetaskiwin, on Monday, June 20, at 7:30 p.m.

The bride entered the living room leaning on the arm of her father and took her place beneath an arch of evergreens, with pink and white decorations. She was accompanied by her sister, Muriel, while the groom was ably supported by his friend Mr. William Stanley.

Rev. A. L. Elliott performed the wedding ceremony in the presence of a few immediate family friends. The bride looked charming in a wedding gown of peach colored broad silk, and carried a sheaf of carnations. The bridesmaid wore a gown of rose shawl tulle and carried a bouquet of sweet peas.

A sumptuous wedding supper was greatly enjoyed by the guests, assisting in the serving were Elsie Cottrell and Fred Stanley.

The happy couple left by motor to visit Edmonton and the beauty spots around, and after their return will make their home on their farm near Wetaskiwin.

BROWNING-EDWARDS

A lovely wedding was solemnized at the home, Wetaskiwin, on Wednesday, June 15, at 8 p.m., when Edith Millett, of Larch Tree District, was united in marriage with Mr. Henry Verne Browning, both of Millet.

The bride looked charming in a gown of blue tulle, wearing a necklace of pearls. She was accompanied by her friend, Miss Eva L. Davis, of Edmonton, who wore a dress of rose colored crepe-de-chine. The groom was ably supported by the bride's brother, Thomas H. Edwards. Rev. A. L. Elliott was the officiating minister.

The happy couple will spend a holiday at Jasper Park, and on their return will make their home at Millet.

Be it therefore enacted
It shall be lawful for Her Majesty with the advice of Her Privy Council to declare (or to authorize the Governor General of British North America to declare) by Proclamation that the said Provinces of Canada, Nova Scotia and New Brunswick upon from and after a certain day in such Proclamation to be appointed, which day shall be written in the said Proclamation, shall constitute and be one Kingdom under the name of the Empire of Canada, and after the day so appointed as aforesaid.
The Executive Government of the said Kingdom of Canada shall be vested in Her Majesty the Queen her Heirs and Successors

VACATION (PLUS)

(By S. J. Crumblin, M.D., Field Secretary)

The purpose of vacation is to promote health. Change of interest, scene and habits of living all tend to should tend to influence favorably these mental and physical functions that are essential to a condition known as health. From the day when we send for descriptive circulars and time-tables and discuss the various resorts, places and hotels to the day when we turn our faces homeward, the exhilarating expectancy and the thrilling adventure into new and unknown corners of our vacation world should mean renewed strength of body and refreshment of mind and spirit.

But our vacation plans should be so carefully prepared that we may reasonably expect such happy results, a vacation plus, and not the tragedy of sickness which occasionally befalls the unwary and unprepared, and which would end in a vacation minus. Typhoid fever, perhaps more often than any other disease, follows in the trail of the vacationist, especially the motor car traveller. Therefore, if means have been devised to avoid the hazard of typhoid fever they should be consciously known and applied as guiding principles in our vacation plans. The germs that cause typhoid fever are usually conveyed through contaminated water, milk or food. This gives us our clue as to the means we need to exercise in order to be sure we are not unnecessarily exposing ourselves to dangerous infection. A safe rule to follow relating to water is to drink water only from known safe supplies. Most city supplies are safe, for chlorination of public water

supplies is now almost universal. If you are out of reach of known safe water you should boil the water and make it safe.

The only safe milk is pasteurized milk. If then you use only milk that has been effectively pasteurized you may be reasonably assured of safety from this source.

Foods are often contaminated by house flies carrying infectious material on their legs. At camp you need to make sure your camp is not located near an open vault or latrine, as danger from such source is very real through the medium of the ubiquitous housefly.

In addition to these safeguards that should surround the milk, the water and the food, every vacationist, especially the camping vacationist, should be immunized against typhoid fever by typhoid vaccine inoculation. Your physician will give this and will tell you that this first line of defence together with precautions relating to water, milk and food will protect you from the chief vacation hazard, typhoid fever. You may then be reasonably assured of a vacation plus!

UNCORK A SMILE, PLEASE

A golfer missed the ball three times, plowing up the turf. "You've revoked," said his partner. "But I'm not playing cards," retorted the unfortunate player. "All the same," was the reply, "you have been playing a spade instead of a club."

You would not be ashamed of your golfing if it had been printed at The Times office.

O.R.P. ORGANIZE NEW LODGE AT PONOKA

The Order of the Royal Purple organized a new lodge with thirty members at Ponoka on Tuesday evening, June 21st. Twenty members of the Wetaskiwin Lodge No. 23 put on the work. Supreme Honored Royal Lady Grevett of Calgary, Honored Royal Lady McKinney, Associate Lady Chaplain, Mrs. Hewson and Mrs. Skein of Red Deer, were also guests of the Ponoka Lodge.

At the close of the session, the Ponoka B.P.O.E. Lodge No. 102, and members of the Wetaskiwin and Red Deer B.P.O.E. Lodges joined the ladies at supper, followed by dancing.

Dr. G. E. Budd, Past Exalted Ruler of the Ponoka Lodge, gave an address of welcome, which was ably responded to by Mr. O'Neill, of Wetaskiwin. Mrs. Grevett also addressed the members of the lodges in her usual eloquent manner. H. R. L. Burkholder, in a few well chosen words, proposed

a vote of thanks for the splendid reception, which was ably seconded by H. R. L. McKinney, of Red Deer.

W.C.T.U.

At the cottage prayer meeting last Wednesday evening, Mr. H. H. Hall, General Secretary of the Alberta Prohibition Association, gave an interesting and instructive talk on the temperance question. He outlined the educational campaign organized by the Prohibition Federation of Canada, the aim of which is to promote uniformity and Canadianization in temperance education from coast to coast.

Miss McCorkindale, of Australia, a young lady who has met the challenge of youth on the question of temperance education, during her visit to Canada last year, wrote a book on Scientific Temperance Instruction and arranged charts to illustrate her lessons. These will be used throughout Canada in the Sabbath Schools

and where possible, in public and high schools, not to take the place of present instruction, but to supplement it. Pledge signing is stressed by the Federation and that department of the work left with the Dominion W.C.T.U.

Mr. Hull is at present engaged in local organization in the interest of the campaign.

"Before I engage you," said the mistress of the house, "I must tell you that we have morning prayers. Our last maid had to leave because she objected to it. I hope you don't."

"Not at all," replied the prospective housemaid, "so long as you all live up to it."

SPORTING NEWS

Big Program of Sports for Jubilee Fete

The Committee on Sports in connection with the Jubilee celebration in this city next week have made full arrangements for the staging of a diversified program of amusements at the Exhibition Grounds on the afternoon of Saturday, July 2nd, commencing at one o'clock sharp. One of the big features of the day will be the tug-of-war contest between teams representative of Angus Ridge, Pleasant Prairie, Wynne and Lone Ridge. The first pull will take place at one o'clock, with the two former teams opposing each other and the latter two teams on opposite ends of the rope. At three o'clock the winners of the one o'clock tug will oppose each other to decide the winner of first prize, and at four o'clock the winners of second place will be decided. In each instance two pulls out of three will declare the winner. There will be seven men on each team, in addition to the captains.

The teams shall consist each of 7 men and captain. The rope shall be of sufficient length to allow for a pull of twelve feet, and for twelve feet slack at each end, together with four feet for each competitor; it shall not be less than four inches in circumference and shall be without knots or other holdings for the hands. A center tape shall be affixed to the center of the rope, and six feet on each side of the center a side tape shall be affixed to the rope. A center line shall be marked on the ground, and six feet on each side of the center line a side line parallel thereto. At the start, the rope shall be taut and the center tape shall be over the center line and the competitors outside the side lines. During no part of the pull shall the rope be tied or in any way crossed

by the anchor man, nor shall he fully place either hand on the ground. There shall be one Judge and two Inspectors who shall be responsible for seeing that the rules are properly carried out. The Judge shall start the competition by word of mouth and take charge of the center and the side lines, and give effect to the result of any pull by blowing a whistle. The Inspectors shall take charge of the teams and see that members of each team do not wilfully touch the ground with any part of the body other than the feet, and report to the Judge any infringement of this rule. It shall be in the discretion of the Judge to disqualify the offending team and award the pull in question to the opposing side, or he may disqualify the offending team from competition. A pull shall be won when one team shall have pulled the side tape of the opposing side over their own side line, or if any portion of the foot of any competitor of the opposing side goes beyond the center line. In the event of both teams leaving go of the rope before either side has pulled the side tape of the opposing side over their own side line, the pull shall be declared no pull and shall not constitute one of the requisite number of pulls.

No competitor shall make any hole in the ground with his feet, or in any other way, before the start. All heats shall be won by two pulls out of three. All competitors shall wear boots or shoes of which the sole, heel and sides of heel shall be perfectly flush and not prepared in any way.

No gloves or adhesive substance whatever shall be used on the hands or ropes. Music will be furnished throughout the afternoon by the Wetaskiwin Band, and the Edmonton Citadel (Salvation Army) Band. At two o'clock the Ponoka and Wetaskiwin baseball teams will play, and at four o'clock the Ponoka and Wetaskiwin basketball teams will add further thrills.

An event which will prove a decided novelty will be the bicycle race, one mile, twice around the track, for boys under eighteen years of age. Entries will be taken at the track.

but competitors must present certificates from their parents or guardians as to qualification within the high limit.

There will be an Indian pony race, one-half mile; Boys' pony race, one-half mile; Squaw race (pony), one-half mile; Indian foot race, one-half mile; and Squaw foot race, fifty yards.

BASKETBALL TEAM WINNERS AT PONOKA

The Wetaskiwin basketball team journeyed southward on Saturday last, invading the fair village of Ponoka. Both teams showed excellent style, but the Wetaskiwin team had the slight advantage that was needed and came out on the top end of a 30 to 14 score. Carl, of Ponoka, starred for the losers. After the game the Wetaskiwin boys were shown a daily time and were given an opportunity to spend their few pennies at the Ponoka Elks' carnival then in full blast. Ponoka won vengeance, and if plans do not go astray, will do the return trip on July 2, the Sports Day here. The line-up was:

Ponoka—Carl, Lark, Gooder, Cook and Martyn.

Wetaskiwin—French, Griener, French, Lyle and Abassoff.

Referee—A. Branner.

THE WETASKIWIN GOLF CLUB

Members of the Wetaskiwin Golf Club who wish to go to Red Deer on Sunday, June 26th, are requested to phone Mr. Barry or Mr. Prest not later than Friday noon, the 24th inst.

Both ladies and gentlemen have been invited and we hope our membership will be well represented.

GOLF CLUB TEA

Mrs. Barry and Miss Prest were joint hostesses at a very enjoyable golf tea on Friday afternoon of last week to both members of the club and visitors.

During the afternoon an approach putting competition was put on and Mrs. Burkholder succeeded in carrying off the prize.

After this exhibition of skill, a pleasant hour was spent over the tea cups.

VEAN GREGG RETIRES ON ACCOUNT OF SORE ARM

A despatch from Sacramento, Cal., says that Vean Gregg, veteran southpaw pitcher, who was not able to get his arm into condition at Sacramento, has returned to Washington State. Gregg says he intends to keep on nursing the old souper and if it returns to form, will rejoin the Sacs. Vean is a product of the Millet ball yards.

The Diamond Jubilee

(Continued from Page 2)

Canada now forms such a distinguished part.

We have now come to the very verge of the subject of the Confederation of Canada, and it is very interesting to note that the idea of the union of the various British American Colonies had been urged as early as 1590. In the years 1755, 1776, 1789, 1808, 1814, and 1822, this matter had been attracting attention, and the report of Lord Durham in 1839 included a suggestion of Confederation. For many years, therefore, the idea of a long-sighted men had been given to Union of British North American possessions.

To the Maritime Provinces belongs the distinction of having started the Confederation ball rolling. A Conference was called, and met on September the 1st, 1864, at Charlottetown, P.E.I., to consider a union among themselves for mutual advancement, protection, and improved communication with the Motherland. To the late Sir Charles Tupper belongs almost the sole credit of this Conference.

By a strange coincidence, an equally memorable meeting was being held in Quebec at this very time by the leaders of Upper and Lower Canada. In an endeavour to arrive at a satisfactory solution of the difficulties that had resulted there by reason of political deadlocks between the various parties. At the suggestion of the then Governor-General, Lord Monck, Alex-

ander Galt who had been urging the Confederation of the Colonies since 1858, had been instrumental in bringing John A. Macdonald and George Brown together to try and settle their differences.

The Quebec meeting having come to learn of the consultation being held in Charlottetown, Mr. Macdonald was quick to see and seize the opportunity of a second conference. He asked for, and received, permission to send Delegates to the Charlottetown meeting, and the whole history of Canada was changed by the decision to hold a United Conference.

The Canadian Government immediately appointed Delegates to proceed to Charlottetown, among them being John A. Macdonald, George Brown, Alexander Galt, George E. Cartier, Hector Langevin, William Macdougall, and D'Arcy McGee. They were well received, and after an exchange of views, the meeting was adjourned, to meet again on the 1st of July, and the various Delegates returned, and to report back to their respective governments.

On the morning of October 10, 1864, in the Parliament Buildings in Quebec, the most remarkable and historic meeting ever held in British North America was opened. Delegates from Canada, Upper and Lower—Nova Scotia, New Brunswick, Prince Edward Island, and Newfoundland, assembled together for the first time. "This was opened a convention of the representatives of the future of the British North America." Strange as it may seem to us, nowadays, no record of the proceedings of this historic gathering was ever set down in detail. Even the discussions were held in private, and perhaps it was better so, for many delicate and confidential matters were debated which might have become a subject for public and political controversy had they been published in the newspapers of the time.

Slowly, patiently, loyally, these earnest men built up a new Constitution for a new Dominion, as they sat within sight of the historic Plains of Abraham and the mighty St. Lawrence River, where, for centuries past, the representatives of the Plebe of Lyons and France and the Great of Great Britain had fought in deadly combat for the possession of this great and rich domain. Little wonder is it that we feel in this Diamond Jubilee year a sense of awe and reverence for those earnest men who assembled in 1864 to lay for the enduring foundations of our wide Dominion, handicapped by widely differing sentiments and many conflicting claims, they strove, with one accord, to embody the greatest good for the greatest number, with justice and freedom for all.

Among the outstanding and conspicuous figures of this historic gathering at Quebec mention must be made of Macdonald, Cartier, Brown, Galt, McGee, Tupper, Tilley, Mowat, and the Chairman, Tache. Yet John A. Macdonald was recognized by everyone to be the ruling genius of Confederation, and never for a moment did he look back, nor lose sight of the great issues involved. Provincial Weekly News Bulletin

Observed by Publicity Commissioner, press having been hindered to some extent by unfavourable weather and bad roads.

Travelling Clinic Still Busy
The travelling clinic of the Health Department has served six districts in the province since May 15, its programme having been hindered to some extent by unfavourable weather and bad roads.

Short Course at O.S.A.

Some eighty boys and girls, each of whom was the highest prize winner in their school fair district, throughout the central part of the province,

will be in attendance at a scholarship short course to be held at the Olds School of Agriculture, July 11 to 16. The boys and girls attaining the highest proficiency in the subjects covered in the week's program will be given one term's training free in the regular winter course at the School of Agriculture.

Delegation to Study Co-operative Marketing

As a move toward developing an educational policy along co-operative lines in the province, a delegation of five Alberta men, including Dr. D. A. McGibbon, of the Department of Economics, University of Alberta; J. R. Love, M.L.A. and A. Scott, of the Provincial Dairy Pool; A. B. Claypool and D. M. Mallin, of the Egg and Poultry Pool, will attend an institute of co-operative economics at the Northwestern University, Chicago, during the first week of July.

Tree-planting Car Popular

A splendid attendance is reported at the various points in the southern part of the province recently visited by the tree-planting car, travelling under the direction of the Canadian Forestry Association. School children are keenly interested in the educational program provided, as are also numbers of farmers who are improving and beautifying their homes by the planting of shelter belts.

Indian Population Increasing

The Indian population of the three prairie provinces continued to increase during the past year, according to the report of the Dominion Department of Indian Affairs. The present Indian population on the reserves is distributed as follows: Alberta, 9,063; Saskatchewan, 14,466; and Manitoba, 11,775. There was a natural increase in this area during the year of 368. In addition there are a number of Indian bands in far northern districts which are not yet under treaty. These bring the estimated population of the three provinces up to some 36,000.

Mothers Should Use

When The Babies Are Cutting Teeth

During the baby's teething time, in the hot summer months, the gums become loose and diarrhoea, dysentery, colic, cramps and other bowel complaints manifest themselves; the gums become swollen, cankers form in the mouth, and in many cases the child wastes to a shadow, and very often the termination is fatal.

This is the time when the mother should use "Dr. Fowler's," and, perhaps, save the baby's life.

It has been on the market for the past 80 years; put up only by The T. Milburn Co., Limited, Toronto, Ont.

"THE GREATEST FORWARD STEP

IN THREE THOUSAND YEARS"

The Wheat Pool

H. W. Wood, Chairman of the Board of Directors of the Alberta Wheat Pool, says that in forming this marketing organization the farmers took the greatest step forward in three thousand years.

The Wheat Pool enables wheat producers to handle their wheat in their own way and sell it themselves in their own way. The entire force of this great organization is directed towards the desired end of bettering the conditions of the western grain grower.

Every grain grower who joins the Pool now adds that much strength to the organization. The stronger the Wheat Pool is, the better for Western Canada.

THE SECOND SERIES OF WHEAT POOL CONTRACTS ARE NOW READY.

The Logical Choice of the Two-Car Family

THERE are many reasons for the choice of Chevrolet as the two-car home — its dependability in all weathers and under all conditions, its quiet, responsive, ease in handling, and its irrefragable beauty appealing to the eye. The many improvements first introduced in low-priced cars by Chevrolet and the striking beauty of design and color make it a car worthy of service to those who also own the conflict of car. More and more the owners of his cars are now turning to Chevrolet for a second car.

Here and There

In addition to the Exhibition of fowl at the World's Poultry Congress at Ottawa, there will also be a large display of rabbits and canaries. Announcement to this effect was made at a meeting of the Congress Live Bird Committee, which has definitely assigned space for these added classes at the exhibition.

Thousands of citizens of Regina took advantage of the opportunity to inspect the new Canadian Pacific Hotel Saskatchewan, opened May 24 by E. W. Beatty, Chairman and President of the Canadian Pacific Railway. This eleven story addition to the company's chain of hotels across the continent is regarded as one of the finest buildings in the west.

Canada's industrial products of today, together with a comprehensive demonstration of the progress of industry in the Dominion since confederation, will be displayed in elaborate styles at an exposition which the Produced-in-Canada Association, sponsored by the Canadian Manufacturers' Association, will stage in Montreal in August next.

This spring about 5,000 men have been placed on Alberta farms by the Alberta Government Employment Service. During the month of April and the first ten days of May, 1,003 men have been given employment by O. Hanson & Company, local employment agents for the Canadian Pacific Railway. These men have been sent out on section work and to extra gangs. Of the number mentioned 778 were new arrivals from continental countries.

According to the latest information given out by the Canadian Pacific Railway in connection with the proposed new Toronto hotel, additional land has been purchased bringing the frontage on Front Street up to nearly 600 feet. It has also been stated that the new C.P.R. hotel will be 20 stories or more in height. The site of the proposed structure is directly opposite the new Union Station, the land being occupied at present by the well-known Queens Hotel.

Don Salvador Castello, who will head the Spanish Delegation to World's Poultry Congress to be held in Ottawa from July 27th to August 4th, has notified Congress headquarters that the representatives from this country will arrive in Canada on July 23rd or 24th. The Spanish live bird exhibit will reach Montreal on July 21st or 22nd. The party is sailing from Cherbourg on the C.P.R. liner "Montroyal" on July 14th. Don Salvador Castello states he believes the Spanish National Exhibit will be one of the most remarkable staged at the Congress Exhibition.

The Post Office Department advises that permission has been granted to the Western Canada Airways, Limited, or its agents, to operate an air mail service between Rolling Portage, Ontario, and the Red Lake mining area, and convey such mail as is offered for conveyance by this service. The requirements are: (1) The words "By air mail" to be prominently written on the address side; (2) The usual Canadian postage be affixed on the address side; (3) The "Air mail stamp" to be placed on the reverse side.

E. W. Beatty, Chairman and President of the Canadian Pacific Railway, has offered \$3,000 in prizes for the 1928 musical festival to be held at the Chateau Frontenac, Quebec. The folksong festival recently concluded at the Ancient Capital was an outstanding musical success, being carried out for the first time. The prizes offered by Mr. Beatty will be for musical competitions based on French-Canadian chansons populaires and folk melodies. J. Murray Gibson, Canadian author, who has translated many old French-Canadian folk songs, is largely responsible for the success of the recent Festival at Quebec. Judging from press comments in all parts of the continent these old songs of French Canada are fast gaining in popularity.

TRENTON MAN IS
VERY GRATEFULSAYS THAT "FRUIT-A-TIVES"
STOPPED NERVOUS HEADACHES

MR. R. A. BOVAY.

Mr. Roy A. Bovay of Trenton, Ontario, thinks very highly of "Fruit-a-tives" for removing the cause of nervous headaches.

"I wish I could tell every sufferer in the world what 'Fruit-a-tives' have done for me," he writes. "For years I was much troubled by bad headaches, nervous dyspepsia and liver troubles. Then I commenced taking 'Fruit-a-tives'. Thanks to these wonderful tablets I am once more entirely well."

Are you, too, afflicted with nervous headaches? Quite probably they are traceable to lazy bowels, stomach, kidneys or liver. "Fruit-a-tives" which is made from intensified fresh fruit juices blended with tonics. "Fruit-a-tives" is nature's own ally in promoting health and happiness. Enlist its aid for yourself, to-day. 25c and 50c everywhere.

HILLSIDE

The regular monthly meeting of the U.F.W.A. will be held on the second Thursday of July, the 14th, at the home of Mrs. M. J. Hovos.

Mr. and Mrs. Doring, of St. Paul, Minn., who are touring the west, are visiting at the home of their niece, Mrs. J. G. Bolt. Mr. Doring was very much impressed with the surrounding country and its possibilities.

H. G. Young returned Saturday morning from Victoria, B.C., where he attended the Canadian Seed Growers' Association Conference.

Miss Beth Hovos, who was the delegate from the Junior U.F.W.A. to the Young People's Conference in Edmonton, will give her report at the regular monthly meeting to be held in the schoolhouse, Friday evening, the 24th. The annual picnic and dance of the U.F.W.A., which was held on Saturday last, was a decided success.

A very pleasing spectacle was staged at the U.F.W.A. picnic on Saturday afternoon by Miss Christie and the school children, in the form of a Jubilee Celebration. The proceedings were opened by the school children marching by and saluting the flag. Flag drills by the children were cleverly executed. Dignitaries were presented to successful scholars and honorable mention made of others by the chairman of the School Board, Mr. L. W. Marr. Mr. T. H. Hovos, another member of the board, gave a short address on "Why we Celebrate." One pleasing feature was the presentation of the provinces by some of the children, each one giving its views of the province they represented. Mrs. Argue presided at the organ several patriotic numbers being rendered by the children and those present. Miss Christie and the school children are to be congratulated.

Mr. and Mrs. D. J. Christie, of Strathcona, were among those to take in the U.F.W.A. picnic Saturday.

WOMEN'S INSTITUTE

Many of the members of the Women's Institute met at the Minister's residence, of the United Church, on Thursday afternoon, for a farewell visit to Mrs. A. B. Argue, who is leaving shortly to reside in Edmonton.

The time passed in conversation, a musical selection by Mrs. Dowler, and Mrs. Dugger gave several interesting readings of poems. Mrs. E. R. Hoskins, Mrs. J. Elder and Mrs. V. C. Rowley served refreshments, after which Mrs. H. Phillips, in a few words of appreciation, presented Mrs. Argue with a gift desk blotter, the gift of the W.I. Mrs. Argue, receiving the gift, replied suitably.

The following ladies entered their names in the attached book of addresses: Mrs. H. Phillips, Mrs. P. Rowley, Mrs. J. O. Anderson, Mrs. F. Facey, Mrs. E. R. Hoskins, Mrs. C. A. Dugger, Mrs. J. Dinney, Mrs. H. Heslop, Mrs. H. Von Ars, Mrs. Dowler, Mrs. Rague, Mrs. V. C. Rowley, Mrs. J. Elder, Mrs. P. Pinyon, Mrs. S. Hopping, Miss Fairy Hoop, Mrs. C. Rodney and Mrs. Graham.

DIAMOND JUBILEE CELEBRATION

The Diamond Jubilee Celebration at Millet on Thursday, June 30, will be a big day for the children of this district. It is expected that many district schools will be out in full force and that the grand school children will be a big event of the day.

Coal Lake Boys' Band will be present all day and will entertain in their usual good style. The band music alone will be well worth taking a day off to hear.

Each child in the parade will receive a flag, and at the finish all children will be treated to ice cream, races, athletic sports, drills, etc., will be held during the afternoon, at the park.

A refreshment and lunch stand will take care of the hungry.

Everybody come and celebrate the Diamond Jubilee of our fair Dominion.

Mrs. English and Mrs. Mitchell motored to Wetaskiwin on Friday afternoon.

SHE HAD A
FLOATING KIDNEY
AN OPERATION ADVISED

Mrs. Charles Llewellyn, Middlewood, N.S., writes: "I got very sick and called in the doctor. He told me I had a floating kidney which he said was caused from a strain and that I should go to the hospital at once and have an operation, and that I could not be helped unless I did."

He would not even give me any medicine as he said it was of no use. I refused to have an operation and was told about

so I got a box and soon felt a lot better and after using a few more boxes I was perfectly well again. I have great faith in 'Doan's'.

REVERIES OF A WIDOWER
HUNTING A NEW WIFE

It glint upon my doorstep as the sun is going down
And I'm wondering what young maiden is waiting in this town.
To accept me as her guiding star to lead her on her way.

Across this weary path of life unto a brighter day.
But somehow when I ask them, when I beg them one by one,
I only get the coldest snickers and loving smiles from none.

But I turn not as defeated—I'll still push on my way.
For surely God will grant to him who waits another day.
I only ask the pretty ones, for surely

Coal Lake Boys' Band here on Thursday, June 30.

Marjorie: "Jack proposed to me in a motor car."
Ethel: "Really?"
Salesman: "Yes, and I accepted him in the hospital."

"My husband has been very ill—very ill, so I have to do his shopping, and I want a shirt."
Salesman: "Certainly madam. Suit front and cuffs?"
"Oh, no! The doctor says he must avoid everything with starch in it."

They will see
That all the things that make a shirt are found combined in me.
But all these things about me that tend to make me good
Are entirely disregarded as pieces of cast-off wood.

But maybe these "high steppers" want a man, with money
And not a plain clothed gentleman who'd always call them "honey."
But you just watch me closely and I'll get them in the end.
And then it is when these flappers wait all toward me bend.
So now with plaintive pleadings I beg you come be mine,
And we will start life over on this straight and narrow line.
We'll live in my little cottage, which we'll call our young love nest,
And settle down to live with God as long and happy rest.

The Plan Failed

An Italian was arrested for chopping down a small cherry tree in the city park to use for firewood. When he was brought before the magistrate, he said:

"I no tella da lie, boss. I choppa da tree down witha ma hatchet. George da Wash no tella da lie an' gitte da na on da back. I no tella da lie an' gitte stung good."
